THE FOREFRONT OF WORKPLACE HEALTH AND SAFETY EXCELLENCE

Secure your spot at the Sydney Safety Forum 2024 and empower your organisation with the knowledge and insights needed to thrive in a safe and supportive work environment.

This dynamic event, featuring presentations by SafeWork NSW, including an in-depth exploration of compliance updates and regulatory challenges, plus a fully interactive Incident Investigation Discussion Panel to help keep you ahead of the curve in ensuring a safe and secure work environment.

14 February 2024

Suncorp, 10 Shelley Street, Sydney

Sydney Safety Forum

2024

Welcome

Welcome to the Sydney Safety Forum 2024 hosted by the NSCA Foundation, Australia's oldest not-for-profit, work health and safety, member-based, and business community-focused organisation.

The NSCA Foundation has a long and proud history of positively influencing work health and safety across Australian industry and workplaces. The NSCA Foundation evolved out of the NSCA originally founded nearly 100 years ago in 1927.

The NSCA Foundation is also a proud member of the Asian Pacific Occupational Health and Safety Organisation (APOSHO), a large group of mainly NFP organisations with a common goal of advocating for improvement in work health and safety across the AP region. We also have the honour of hosting the Annual National Safety Awards of Excellence.

We have worked to bring you an impressive line-up of highly respected WHS speakers who will focus on three topical sub-themes:

- Leadership & Culture
- Psychosocial Risks
- Management & Risk

We hope the Sydney Safety Forum inspires you and provides you with useful knowledge that you can take back to your own organisation. Whether you're a seasoned professional or emerging within our industry, we look forward to aiding your journey in the world of workplace health and safety.

Bernie DOYLE

President & CEO
NSCA Foundation
